PJÜVIS 1-1 M 1:200

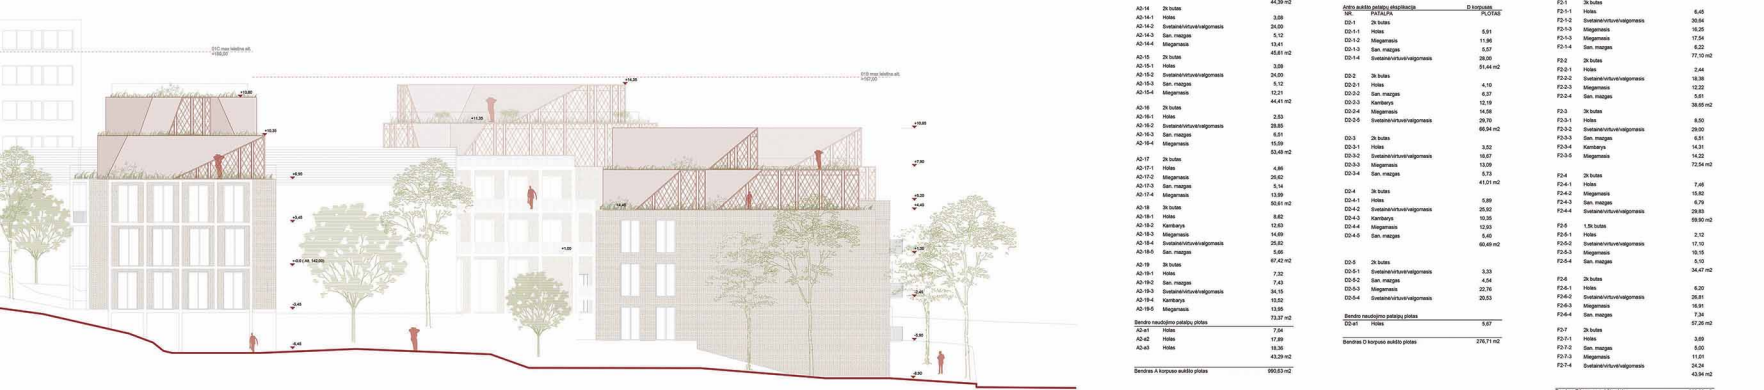

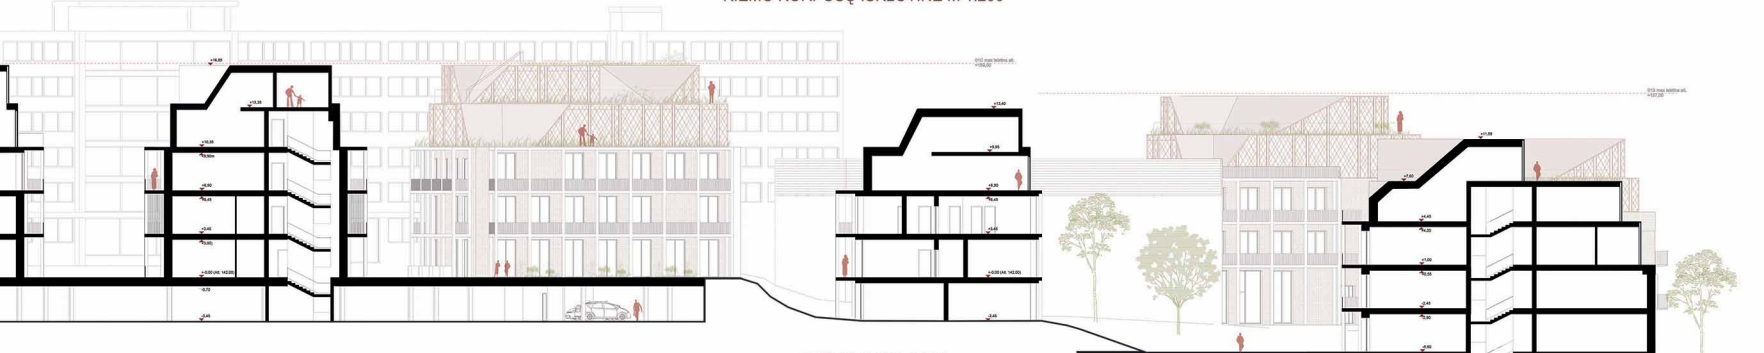

SODŲ G. IŠKLOTINĖ M 1:200

RŪSIO PLANAS M 1:200

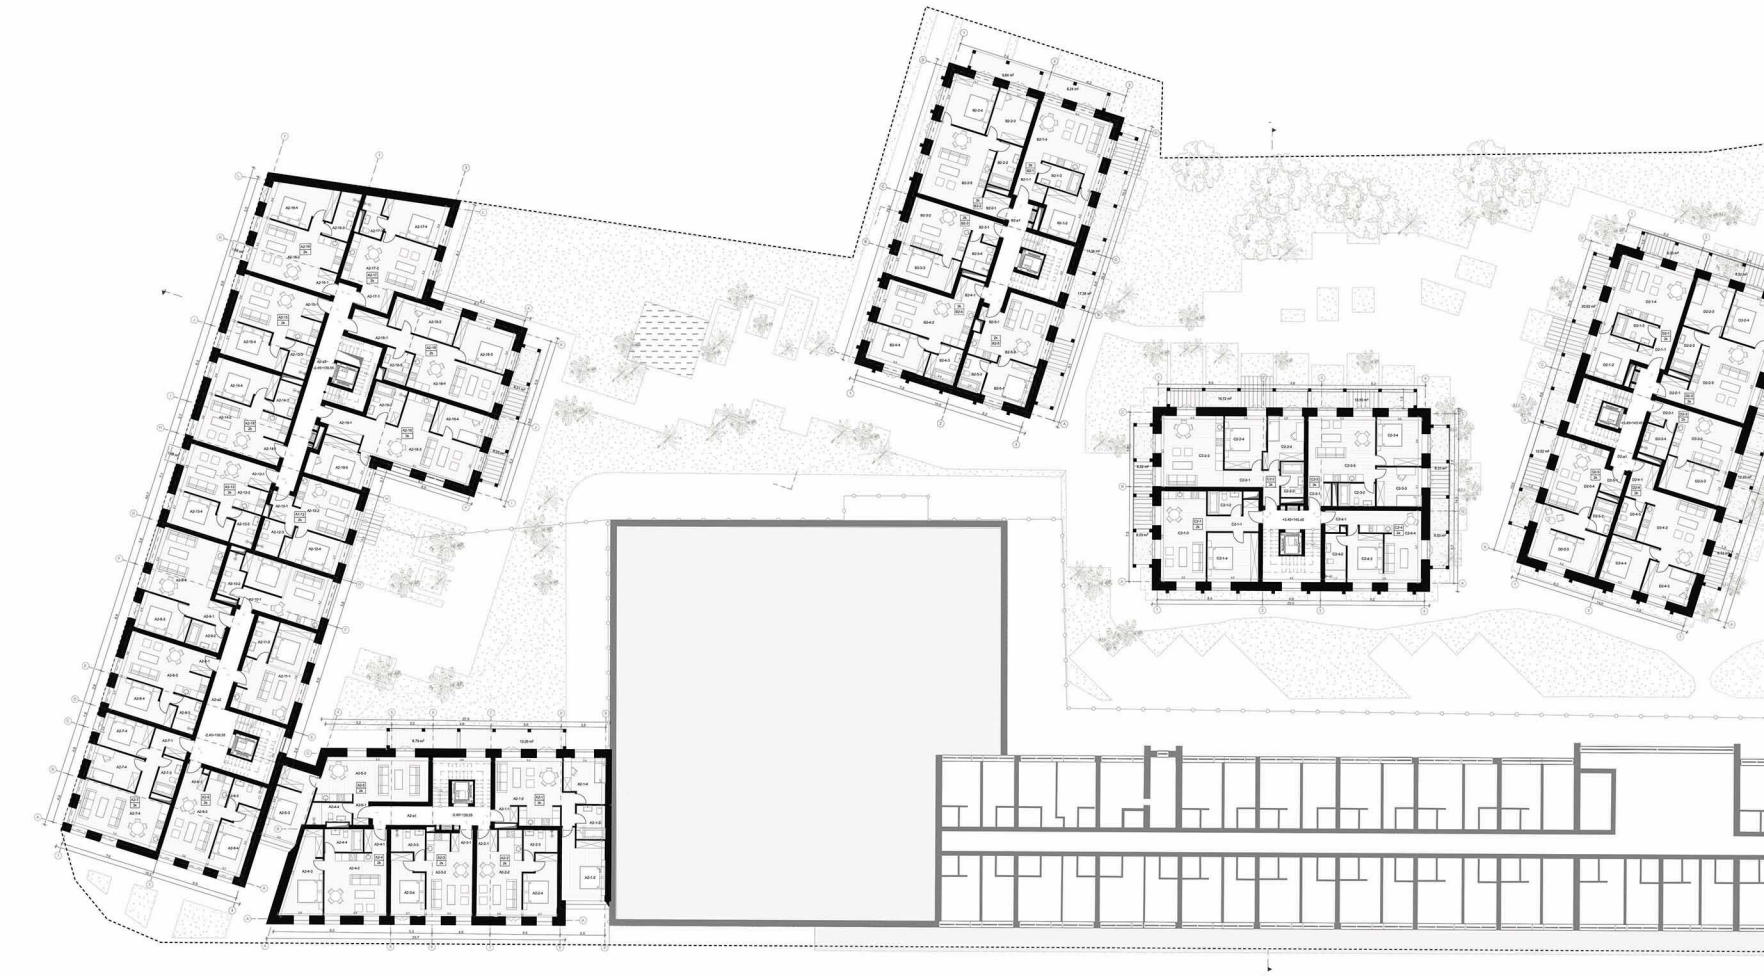

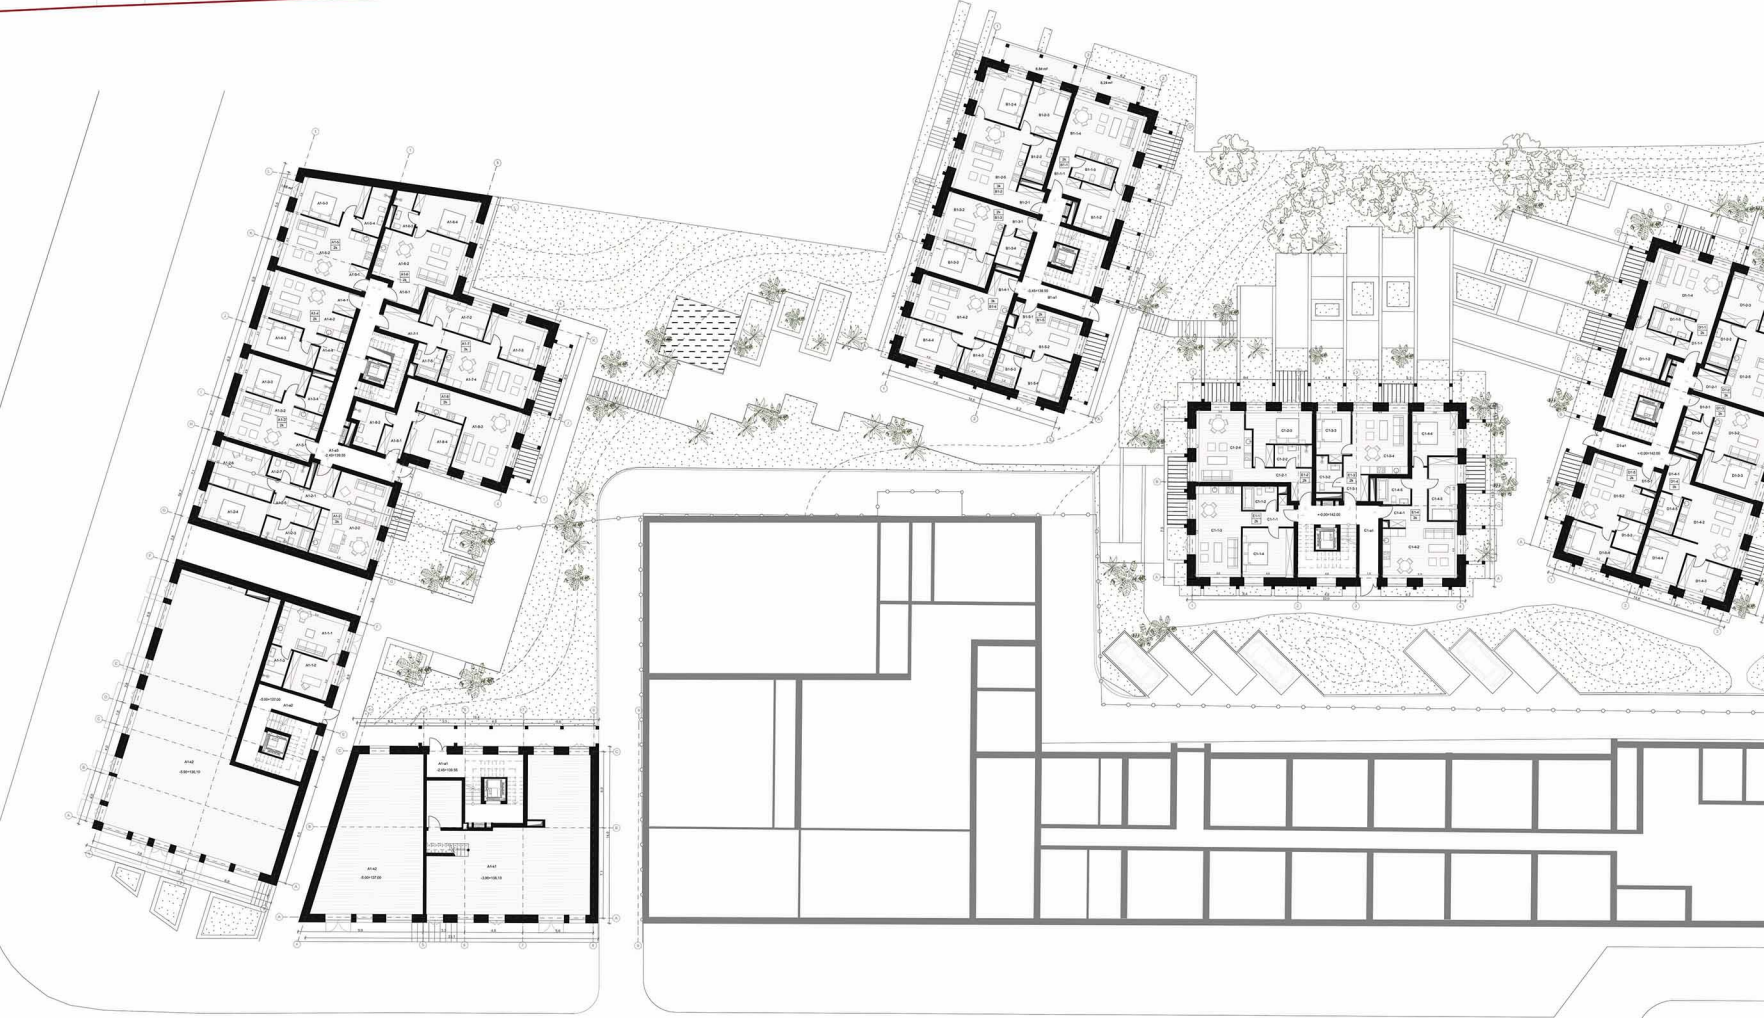

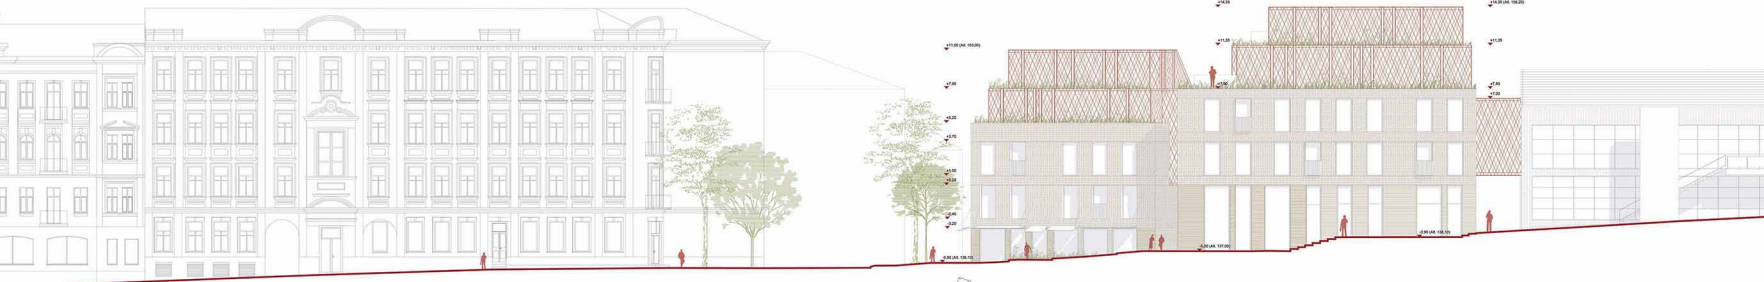

KIEMO KORPUSŲ IŠKLOTINĖ M 1:200

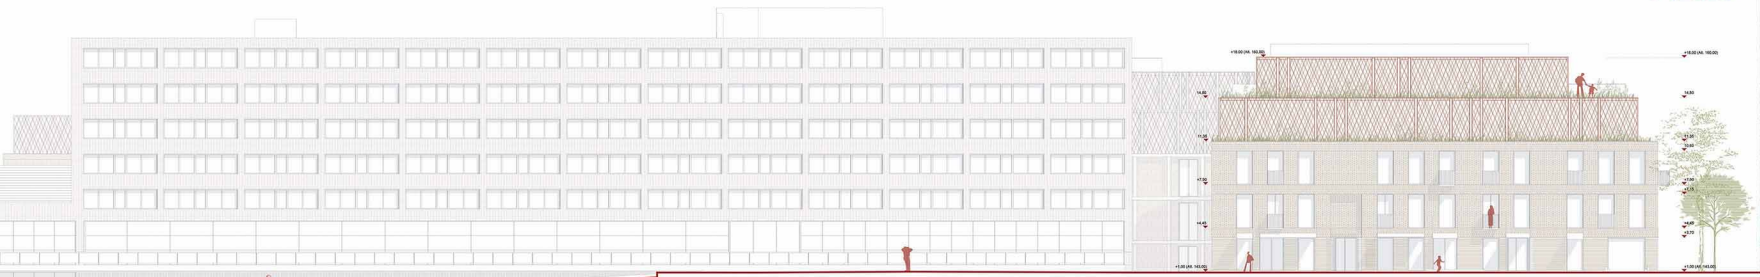

PJŪVIS 2-2 M 1:200

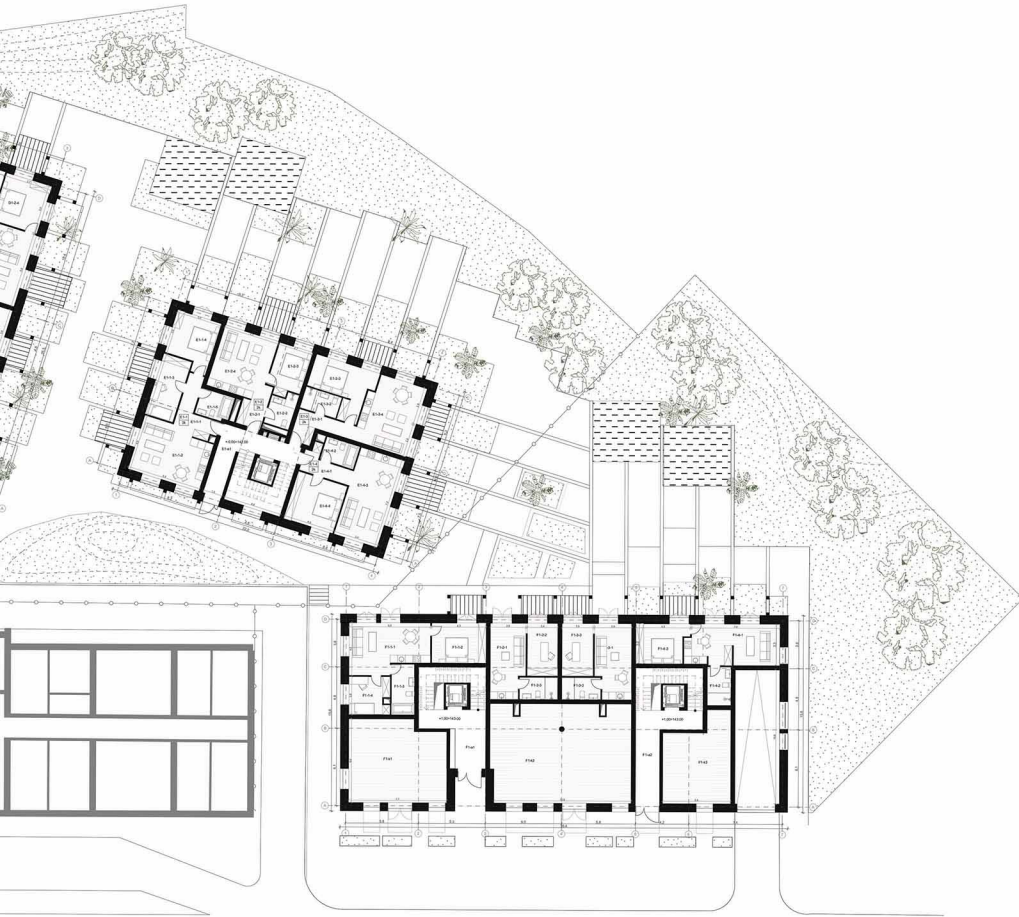

Tables containing alphanumeric codes (e.g., A1-1, B1-2, C1-1) and numerical values, likely representing room identifiers and their corresponding areas or dimensions. There are multiple columns of such data, organized into different sections of the plan.

Summary tables for each level, providing totals for various categories. The tables are labeled with section numbers (A through J) and contain numerical aggregates for the different building volumes.
